Cybersecurity Intern | MuLearn Foundation, Technopark

As a Cybersecurity Intern at MuLearn Foundation, Technopark, I gained hands-on experience in identifying and mitigating security vulnerabilities while learning core cybersecurity concepts and best practices.

I actively participated in tasks related to network security, ethical hacking fundamentals, and risk assessment. This experience helped me strengthen my understanding of threat analysis, secure systems design, and data protection techniques.

Collaborating with peers and mentors, I enhanced my problem-solving, analytical thinking, and teamwork skills while working in a fast-paced, innovation-driven environment.

This internship has significantly contributed to building a strong foundation in cybersecurity and reinforced my interest in pursuing a career in information security.
